“ Tammy Faye, you will be remembered for many reasons, by many people. But for us, our memories will be of your unique ability to immediately accept everyone that crossed your path. You cheerfully greeted them with an open mind, and a open heart. As a result, you instantly made a new friend.

Your heart was truly filled to the brim with love and affection for your friends and family. There wasn't anything that you wouldn't do for any one of us if we were in need. It was this rare ability that amazed us.

It is because we knew you so well that we are thankful for all the goodness that you brought into our lives. You will be remembered and loved by us forever.

Love,
Bonnie & Berni
