“ Nana I miss you very much. It hurts to know I can no longer see you any longer. I remember all the great memories we've had and all the laughs. One of my favorite memories was when we took a vacation to Old Orchard Beach Maine.. And I jumped in the pool and said ohh nana I bought you a scratch ticket but it's wet I jumped in the pool , so you have to let it dry before you scratch it! So 430 am comes along and you were always a early bird and you scratched it and you won \$50,000 !! The best part was it was a fake ticket and she woke and woke up the whole trailer of people who were on vacation with you . She said everybody wake up and I'm going to split it with you and your mom. We said Nana read the back and get back to bed it's fake she said I'm telling you I just won \$50,000 we said read the back and on the ticket. After she read it it said collect your funds from the tooth fairy we never laughed so hard the next day !!! I miss you more then any words could explain. were a great mother to all of your 14 children . And I am very happy the last two years we got extremely close to each other. And with your great grandchild Nya. I will miss our sleep overs at your home , eggs , toast and tea in the morning with Nya and myself. May you rest in peace I love you dearly and I can't wait to see you again one day . RIP NANA GG
