“ *Al, I've only known you for a few years but in those few years you've always been so kind not only to me but to everyone around you, always had a smile on your face that lit up the room. The love you had for my baby girl Queen was so precious and beautiful. I am so happy that I married your cousin Carlos and had the pleasure of getting to know you. Tomorrow will definitely be hard for all of us to say goodbye. May you Rest in Eternal Peace. Love ya always, Michelle*

“ *I remember when i had the apartment on lake st.. yup th eone with the butter knives as a lock.. and i would make everyone take there shoes of to come in and hang out...no matter what i did to lock them doors u always found a way in...lol... The peole on the first floor would argue with u and you would tell them "Go to Hell I'm her brother" . My brother you are .. and I will miss you !!! You had a big heart and an even bigger smile! Who's gonna make us laugh till we buckle over or pee?? Charlie is good but not as good of a comedian like you. You entered our lives 25 years ago... 25 years ..almost my whole life... i will see you where the moon hits the stars... Love u more than All the peanutbutter M&Ms in the universe..... R.I.P my brother*

“ I'm having a hard time believing this is real. I've spent the past 11 years of my life speaking to you atleast once a week and I keep waiting for u to call. I will never love someone the way I loved you. We have been thru so much together. I have so many amazing memories. We created life and I am so blessed I get to look at you thru them every single day. No one could make me laugh as much as you. No one drove me as crazy as you! i will never forget when we didnt have a car and went grocery shopping and took the cart all the way home taking turns riding on it! The late nights we spent laughing uncontrollably about all that we have been thru. the night I threw up all over the floor becuse I was pregnant with Armani and u ran so fast to get me the trash can (while in your underwear) and u fell right on the floor and we couldn't stop laughing. I will never forget the phone calls you and Aliana had the past few weeks, all the songs you guys sang and how u could sooth her over the phone so well when she was upset. I keep listening to your voicemails from last week and I pray to god I never loose them. We love u so much al and I know your at peace now watching over us. ❤️

“ Al where do I start I can't even believe I'm having to do this. I loved you more than you'll ever know ♡ I'll never forget the way your eyes lit up when I took you to the circus and seen the ball of death with motorcycle show you loved it. One of the many times we went fishing and you saw a turtle and begged me to catch it, the turtle disappeared and I promised if it came back I would catch it thinking it never would :) It did ! So I stripped down to my underwear and a 100 cars by as I dive in to catch the turtle that was 27 years ago I remember it like yesterday and that turtle Ralph is still alive. To know I won't have days like that anymore break my heart. You had a smile that would light up any room , people loved you for YOU. I only wish you realized how much you were truly loved. YOU are so much like your father who I know you loved & missed deeply but now I hope you finally find peace with him. I miss my morning phone calls from you saying UNC what's up to get just one more. I will hold on to all the memories the beach, the Topsfield fair you were a chick magnet for me :), those are what will keep me going and you will forever be in my heart., kid I loved you so much.xox

“ For the short time that I met you Al...I knew that you were humorous, jokester, sweet, big hearted and such a good looking guy! Your smile could light up any room! The genuine person that I got to know really wanted nothing more in life then to be happy.  
You deserved it Al and it's so heart wrenching to know your gone! All I can really say is rest in paradise with your dad but know that you are missed dearly by many...So sad:( ONLY THE GOOD DIE YOUNG...and I'll never forget you! Xo

“ THE DAY I MET YOU, YOU COULDN'T WAIT TO SHOW OFF YOUR PREP SCHOOL IN LAWRENCE. I REMEMBER YOU HAVING DAD BRING US ALL THERE TO HANG OUT IN THE PARKING LOT SO THAT YOU COULD TELL US HOW SMART YOU ARE. BUT MY MOST VIVID MEMORY OF YOU WAS YOUR 13TH BIRTHDAY. WE WERE ALL IN THE LIVING ROOM DANCING AND ACTING CRAZY AND DAD FELL ASLEEP. WE CRANKED THE MUSIC UP AND IN CAME MOM WITH THE CAKE.. OH BOY SHE HAD NO IDEA WE WERE ABOUT TO DECORATE THE WALLS WITH A FOOD FIGHT.. BOY DID SHE FLIP ON US.. I WILL ALWAYS REMEMBER YOUR SMILE AND HOW YOU WOULD ALWAYS MAKE SOMEONE SMILE WHEN THEY WEREN'T IN THE MOOD.. AND NEVER EVER DID YOU LEAVE WITHOUT A BIG JUICY KISS AND AN I LOVE YOU...
