

## Miss Angelique L. "Angie" McNeil

April 4, 2002 - May 11, 2018

Angelique L. McNeil  
Forever Sixteen

LOWELL—Angelique L. “Angie” McNeil was an incredible young lady. Her smile would light up a room in seconds. You always knew when she was around, because she was the loudest one in the house. Angie wanted to save the world. Her dream was to graduate from college and Medical School and become a Neurologist. She wanted to save people and help people.

Angie celebrated her sixteenth birthday on April 4th. She was excited to start her first summer job in June.

Angie’s life was just getting started when she passed away on Friday, May 11, 2018. She was about to complete her Sophomore Year at Lowell High School. There, she was a fabulous student who worked hard for her good grades. She made the Honor Roll.

At home, Angie was a loving sister and a trusted friend. She loved her cat, Kitty Baby. She also loved watching Fashion Shows on TV like Project Runway and America’s Next Top Model.

Angie leaves her aunt and uncle, Stephanie and Maurice King, with whom she made her home; her mother, Shayna Clement; her father, Michael McNeil; her brothers, Michael McNeil and Joshua McNeil; her sister, Jayleigh Phomvandid; her many cousins, especially Izayah King, Jaleil King, and Maurice King, Jr.; her maternal grandparents, Eleanor Clement and Robert

Lucas; her paternal grandparents, Pamela Spencer and her husband Ray, and John McNeil; also several aunts and uncles including her aunts Melyssa McNeil and Amanda McNeil who will both miss her dearly; her best friend Abby, and countless friends she made along the way. Angie gave hope to others through the gift of life by donating her organs to The New England Organ Bank Donor Services. Save lives through organ and tissue donation!

“ Knowing you when you were younger, those memories play back in my mind! Your mom and dad loved you before momma had a tiny baby bump! Thru them I experienced their awe, grandpa John was over the moon, and you were a baby nugget! Fly on little wing.
