

Baby Arianna Zoe Real

September 7, 2016 - May 31, 2018

Arianna Zoe Real

The many friends and family of Ericka Munoz and Jean Carlos Real will be saddened to learn of the death of their 20 month old daughter, Arianna Zoe Real.

Ari went to Heaven on May 31, 2018.

Ari loved popsicles and apple juice. She loved her animal pacifiers and liked to throw them on the floor. Her favorite TV shows were Rolie Polie and Sesame Street.

She loved music; lullabies and Disney Songs. Her favorite color was purple. She loved her Mom and her Dad very much. She also loved all of her nurses at The Tufts Floating Hospital for Children.

Although Ari was only here for a short time, her love and memories will last a lifetime. She touched so many lives and her love will live in our hearts forever.

Ari leaves her Mom and Dad, Ericka and Jean Carlos; her maternal grandparents, Alexandra Rivera and Juan Jose Munoz; her paternal grandparents, Marisol Matos and Rafael Real; many, many aunts, uncles and cousins; and her God Parents, Yajaira Real and Marc Perez.

Ari's family would like to acknowledge with love and gratitude, the Doctors, Nurses, and Staff Members at Tufts Floating Hospital for the exceptional care they gave their baby girl.

“ *Ari will forever be in my heart. I feel blessed for having known her. Ericka and Jean Carlos, you are in my heart and my thoughts and prayers. I wish you peace and comfort during this time. Rest easy sweet angel*

Ashley Plante - June 12, 2018 at 10:37 AM

“ *Ericka and Jean Carlos so sorry for your loss. Ari was a special little girl. She was loved by the entire PICU staff. She made my day everyday I spent with her. She definitely gave us a run for our money at times, but that's what made her special. I will always love her strong attitude, and that smile that would melt your heart. I am so thankful to have been part of her life. Goodnight my sweet angel*

EILEEN BELLIVEAU - June 05, 2018 at 02:11 PM

“ *You will forever be in our hearts our beautiful sweet Ari. We love you. Love Always Pediatric Cardiology*
