“ My sincere condolences to the family and to my beautiful niece Alycia Lopez! I remember Benji as a joker, he was a lot of fun to be around and always loving and humble. I thank God that he knew Jesus as his Lord and Savior and now has overcome death, for there is not death in Christ! He is HOME in Glory with His earthy father and his Spiritual Father. May the beautiful memories of Benji live in your hearts and bring a smile to you face. Lord I pray that you shine down your love upon my niece and the family and continue to give them comfort and peace, knowing one day we will see Benji again in Glory!

Love and Blessings,
