“ One of my fondest memories and I have many, was when myself and Brian use to visit my brother up in North Adams . He had a guest house where we would stay for the weekend. My brothers kids would love seeing us, especially Brian lol! They started calling him uncle Brian until they got older. My heart is broken to know he's gone. And to Donna A.K.A Wonder Woman. You were the best wife 24/7 caring for him. Until we meet again my friend, my Brother . I will keep you in my heart and memories.

“ It's hard to believe you're no longer with us. Your kindness, laughter, and unforgettable presence were a beacon of light during our high school days and beyond. You had a unique way of touching lives and leaving a lasting impression on everyone you met. Though you may no longer be here, your memory will continue to live on in our hearts. Rest in peace, dear friend.
