A few years ago before I retired I needed to get a few steps fixed for my DC license. I asked Bruce if he could fix my steps. He not only went out of his way to come down & helped me out he put a whole new porch on for me. My licenser raved over what a wonderful job he had done, My point is Bruce would give the shirt off of his back. Not only was he a great Dad, grandfather, brother, uncle, cousin, he was a great friend!! He will be missed by all that loved him. We all love you Bruce!
