“Kitsy, I don't know how I'm going to get by without you... You were not only my assistant and right hand woman, you were my friend. You were so supportive of me, on so many levels. I loved that we made it a priority to discuss our tv shows and lives before we started our work day. I'm so excited that a Memorial Scholarship has been set up in your name, you deserve it! You were the ultimate City of Lowell supporter and were a wealth of knowledge of your City and it's residents and it's history!

Rest in peace my friend...

“Kitsy touched the lives of many people including so many young women in the Miss America Program. I was but just one who benefitted from her knowledge and experience in this page of her life.
To her family I send my heartfelt symphathy. May we all remember the good times and keep those memories close to our hearts.
To Kitsy, may you fly on the wings of Angels and see the smiles of all of us who you touched here on earth.....

“ *The sparkle in her eyes, her mischievous laugh, Tangueray & Tonic, a Miss New Hampshire patron, very dear and special friend...the thought that she isn't there is devastating. The moments...hours in Atlantic City have provided me with such wonderful memories. I miss you, my dear Kitsy!*
