“ I miss you so much mom it hurts. The first month all I did was cry and look at your photos. Leaving this world unexpectedly messed me up because I never got to say goodbye and seeing you there lifeless is an image I can never get out of my head. I'll pay for it for the rest of my life for taking you for granted. I love you and miss you so much and I'm not sure how to go on in life knowing I'll never get to see and talk to you again. 😭😭😭😭😭😭

I already miss our phone calls every morning, all the long talks but mostly I'll miss the laughs we had, even the ones that sometimes were thru tears just like the smile I have now remembering our friendship. Thoughts of you will always make me smile but for now it will be a smile thru my tears. Forever in my heart Cindy.💔😭
