“ *Dave was our mailman at the Wannalancit Mills. He was a wonderful positive person who loved his family and life. We truly missed him once he took ill. Over the years he had stopped by a couple of times to say hello and give us an update of his progress, but it was his recent visit that I will never forget. He gave us the sad news that he would be leaving us. He didn't just come empty handed, he actually brought with him his chocolate silk pie and banana bread that he had made from scratch for all of us to share. We had a very nice talk and although my heart broke for him, his calmness and acceptance was very comforting. Even though I didn't know him on a personal level, I am positive that he will be sorely missed by all that knew him. Rest in peace Dave, Deb I*

“ Hello Harrigan Family,  
Dave was our mailman at O'Donnell Funeral Home, He was such a nice person, so proud of his family. Very adventurous with skiing and his various activities, loved his stories. He will be missed so much. You are in my prayers and thoughts...Remember, God only takes the best. Too bad it was too soon. God Bless.
