“ I don't know where to start, all I know..is you've always been the most humblest, kind loving sweet man I known. Always there to help whoever needed it. A pure heart of gold, nothing but love, laughter and great times when you're around. You had sooo much love to give, I can here your voice saying " Het, Tishie" or "Whats up buddy" to the boys..I love you, and know i will see you again
