“ I miss you Titi Shorty. I Love You 💕💕 I know eventually everyone passes away but how could anyone ever be mentally and emotionally prepared for that? It hurts my heart knowing that we won't ever be able to see you or hear you laughing again. How are any of the holidays Gonna be the same ever again? Guess they won't be. I ask God to give your children, grandchildren, nieces, nephews and brothers and sisters the strength to carry on. You are missed. You are loved. I love you always
