*I will always remember when Karie and I were kids Mrs. O would always say to me Kathleen give me all your money to hold because every time you are here you lose it! :)*  
*I also remember Mrs. O and my mom took Karie and me to our very first concert in the 4th grade to see Cyndi Lauper and Ed Money it was such an awesome show.*  
*I also loved to go over to their house as a kid because they always had kitties and I just loved cats. I fondly remember Lulu and Dandy and how much Mrs. O loved them too!*  
*Mrs. O was the sweetest woman and a great second mom to me for so many years!*

*Thanks Kathleen! Those were the days! Mom picked up Dandy from my Grandmother's neighbor, who no longer wanted to care for him. We picked up Lulu from the humane society. Since then, she housed a myriad of kitties! Such lovely beings, we were graced with.*

*Remembering so many fun times through our working years.....laughter at our lunch times so much so that people would look at our full table and tsk!! Trips to Rockport and Stowe Vermont there were 4 of us and all we did was laugh. Oh and never did she want to have a photo taken she would run away and hide behind chairs just so you would not take her photo.*  
*Such good times.....she was a special person.*  
*Rest in peace Diane*
