“ To Zeb & Kenneth,

My belated yet hearty condolences on the loss of Evelyn, such a kind soul. It's tragic she left the world this soon, and I'm terribly sorry you guys did have much more time with her. May the many wonderful memories that you do have of your mom/wife carry you through onward. She is forever within you (heart, mind, spirit, and body). It's been so long since I've seen the two of you. I miss you guys and truly hope you're well. I extend the condolences and regards of mine to the rest of your family. Evelyn has reunited with "Grandma" Sorden.

Prayers & Love,
