“ Gail & I met many many years ago when our children were very young. We were together all the time our children played together daily and she and I always found something interesting to do. Whether it be sitting in the yard watching the kids play or trying to make pies for the holiday. Gail was a very good friend. I loved her dearly. We managed to keep in touch over the years as our lives went in different directions you'll be sincerely missed Gail. You're in the hands of the Lord now and he will take care of you until we meet again
