Glori was hard working, and was passionate about her job as a Patient Care Assistant, using her people skills and the kind heartedness she had for anyone who needed help. Glori loved to cook and barbeque at her house. She was always the life of the party. She enjoyed being in the company of those she loved. Glori had a big heart, and was generous with her time and talent. Glori was always in control. She always tried to keep the peace and gave everybody the benefit of the doubt. She was always, always there for her family.

“ *I'll never stop thinking of you mom. I love and miss you more than anything in this world. What I would do just to sing and dance "Twist and Shout" from the Beatles one more time. Just to hear your laugh and see that beautiful smile that lightens up the whole room. I miss my bestfriend. Until we meet again "sweet pie".*
