“ I am so sorry for the loss of Jodie. I spoke with Jodie in the doctors office we made a tentative dinner arrangement and said we would get together. Cousins but just not close enough to stay in close contact.

What a sweet girl God has beside him she was warm and kind hearted with a great spirit to live. I am so sorry I missed the arrangements for Jodie, I just found out today. Bless her family, her companion and I cannot express the sorrow I feel.. Thoughts and prayers to everyone.

“ So many good times working together at Lahey for soooo many years. You always had a smile for everyone. They best friend anyone could ask for. Breakfast and Lunch in the cafe (not to be confused with the cafeteria!). I am so sorry that I didn't get to see you one more time (besides in the hospital when you were ill). Remembering picking you up and dropping your off for work. Your Mum always invited me to dinner! I wish I knew you left us, so I could have paid my respects....they were well deserved! I will miss you my friend and cherish all of the memories! Rest In Peace, my dear friend!

“ Where does one begin to to say thanks for all the fun, and laughter we shared. Going to the beach with your Mom. And all the incredible breakfasts she would cook. The numerous camping trips that we all shared together. Falling asleep on Wells beach. And not being able walk for two days because of the burns we got! The Diana Ross concerts, and also Sir Elton John. Ike and Tina Turner! We saw them all. We also had so much fun dancing the night away at Joseph’s Lounge. Glad you no longer suffering. And that you are pain free. We sure did have some incredible times together. Hugs
