“ I apologize that I did not know about Jack's passing prior til now. Jack was an amazing guy. To watch him and Neil interact with each other was quite a treat. Jack was a determined man and didn't let anything stop him. His positive attitude was relentless. I learned alot from Jack just by being around him, and listening to him. He certainly was an inspiration to me and will be missed.
Rest easy Jack
And to Neil, you are quite a strong man who has dealt with more adversity one could imagine.
Stay strong Mr Oliveria.

“ My deepest condolences to the Oliveria family on behalf of the Clark family (from 55 Lundberg) . This is so sad to hear. I remember visiting back around the early 2000's and spending a bit of time at your home and seeing Jack. Living across the street at that time, I have fond memories of watching Jack practice his pitching/throwing in his front yard, being invited to skate on the ice rink created in the yard a few winters and overall friendship between our families. May peace, love of family and comfort of memories keep you.
