“ So sorry to hear this. I have so many happy childhood memories at the Sousa house in the 80s with my Dad (so nice to see him mentioned - he would have appreciated that). Thinking of you all ❤️

With the many many great memories with my cousin back when we were young and growing into adults your humor and love for life was magnetic to all. I will always remember our hockey game tournaments on your Hockey game and our love for the Bruins and Bobby Orr.

John your journey was a bumpy one at times but most of it was smooth and caring. I will miss being able to reminisce with you about those times.

Rest in Peace Cousin John
