

Mrs. Kara Marie Milinazzo-Fumia

May 25, 1991 - November 2, 2021

KARA MARIE MILINAZZO-FUMIA

30 YEARS YOUNG

OF PELHAM, NH

Kara was a beautiful soul. She was honest, compassionate, hardworking, and always a friend when we needed her. She moved through life like a firework; loud, colorful, adding glimmering light to any darkness and filling your chest with excitement. Kara was music turned up all the way, windows down, wind whipping through your hair, not a care in the world. She constantly challenged us and herself to be better and live fuller. Her excitement for life was contagious, and her enthusiastic spirit brought us on adventures we never thought we would have. She loved the beauty of the natural world and for that, every tree, lake, and mountain will now be a memorial to the incredible woman who once adored them. Every empty passenger seat will be for Kara, coming along for the ride. Every good time and happy memory will be forever cherished by those who have been lucky enough to have shared a part of her life.

She will live forever in our memories of booming laughter, smiles stretched ear to ear, and in our hearts, fuller and stronger for having known her. For those she was closest, her husband Jason Fumia, her parents Karen (Goyette) and Dominic Milinazzo, her sisters Sierra and Amanda, her niece Macey Claire, her best friends Kelsie Phillips and Marissa Winsser, her CrossFit community

and the weekend warriors crew, her many aunts, uncles, and cousins. May they spend every day forward keeping her legacy alive. Kara's adventure will be never ending, through all of us.

“ Although I didn't know Kara personally, and only knew Jason as a small boy. Through his parents special friendships with my Mother, Dorene, (who just recently passed away herself 1/17/22). It was through my Mother passing that I contacted the Fumia family regarding my loss, and that I learned about the passing of Jason's wife. As Jason shared some fond and wonderful memories of my Mother through Diane with me, and I felt his compassion, which led me want to look up and find Kara's obituary page. Though Jason only knew my Mother for a short time when he was young, I really felt the compassion in his statements and sensitivity regarding his memories of my Mother. I can see now this young boy Jason that we once knew, has turned into a wonderful young man. Which is what lead me want to know more about the woman he married. After reading her obituary page, I got a real sense of just how amazing she must of been to be around ! I'm sure I only learned very little about her, but I can see she was a free flowing spirit who loved and enjoyed all the world had to offer and it's beauty, and I can only imagine the loss of Kara, for Jason. I can feel through reading the obituary, what a wonderful and beautiful wife he had in Kara, and what an unimaginable loss he suffered. My deepest condolences and prayers go out to Jason, Don and Diane Fumia; Kara's parents Karen (Goyette), Dominic Milinazzo, and her sister's Sierra Amanda; and all immediate family, friends, and other family members. Love Prayers and Blessings-

“ I didn't know Kara too well - we graduated the same year, but were never friends, just different circles. She was always super nice though! And gorgeous - the kind of girl you wish you were pretty like.

Years went by, then this summer I reconnected with Sierra and our daughters played together a bunch! At Macey's birthday, Kara and Amanda pulled out this super cool four wheeler (and then promptly had to stop her from crashing into a shed!). It was so clear what a great Auntie she was. She was all about Macey. There was so much love!!

My thoughts and prayers are with your family. Sierra, I'm so sorry - I can't even imagine. Love and light to all of you in this difficult time.
