Maggie Vélez - September 18, 2025 at 05:28 PM

“ Screaming so loud to heaven and telling God well he’s holding you in his arms to let you know how much I miss you and that I’m always gonna remember you and even though you left the emptiness down here on this world in my heart and everybody’s heart, you will always be remembered and I’ll make sure that I will never forget you. We went through good through bad together in those memories that will always keep a life. I love you, my little baby sister. 😭
