“ You will never be forgotten. I know that you are an angel and you will watch over Tatiana, Adriana, and Miguel Jr. We love you so much!!! You the beautifullest woman that I have ever met, you were the greatest mother-in-law. You taught me it's all about family, and I'm so happy to be apart of your family. I will never forget when you did talk to me in english it was the cutest thing. My favorite was when you asked if I wanted a tukey sandwich. (turkey). I will always keep you in my heart, you have a special place that no one can take. We miss you and love you with all of our hearts. When we look at Adriana we see your smiling face. When we get sad we just have to look at her smiling face and see you. You are with your hubby and you both are looking down and smiling because you did a beautiful job with all your children, and grandchildren, and great grandkids. You will be missed!

Love always Daisy(Stacey) your son Miguel
