“ You were my favorite brother out of all the three. I loves and missed you so much. If I would have known that you would be gone so soon I wished I would have given you more hugs and tell you that I love you little brother. I hope you find your peaceful place wherever you are until we meet again please keep watch over us especially your little niece Kaydence. We love you Aem❤️

“ My heart breaks for the passing of such an amazing man. I didn't get the honor of knowing Aem for long, and I wish I got more then the year and a half. He touched so many people, including myself. And he will forever be remembered for all the good, and amazing memories he shared with everyone. I wish he was still here to share and make so many more memory's. Forever in our hearts.
