Sis. Martha's life was the epitome of courage, strength, and enduring friendship. She had a pleasant disposition and we always enjoyed her presence in our company, especially with my wife with whom she had many years of friendship and productive relationship. We are very saddened by her passing and we will sorely miss her. We are also comforted in the knowledge that she lives in the minds and hearts of everyone who knew her. We extend to the members of her family, those in the United States and Liberia, our heartfelt sympathies and condolences and pray that in the years that lie ahead, the good Lord will sustain them and give them peace and comfort. May her gentle soul rest in perpetual peace.

*In sympathy,
Uncle Sam & Aunty Viola*
