

Ms. Mary C. McGuire

April 4, 1981 - May 12, 2015

Mary C. McGuire

Loving Mom, Daughter, Sister and Friend

LOWELL—Mary Catherine McGuire, 34, a fiercely loyal spirit and valiant fighter till the end, set free the burden of her illness and went home to God on May 12, 2015, with those she loved all around her. Mary bravely battled MDS for many years. She was the loving mother of Damien “Diggy” Peters, whom she adored as her whole world.

Mary was born in Glendale, California on April 4, 1981, a daughter of Walter R. McGuire, Jr. of Newmarket, NH and Suzanne (Blier) McGuire of Lowell. Mary attended the Lowell Schools. She worked in the accounting management field prior to her illness.

Mary was a spitfire. She was full of spunk and energy. Mary made everyone laugh. To speak of Mary or even hear her name would bring a smile to your face. She had that special way about her. She wanted to exceed in everything she did, and never gave up on anybody. She was a go-getter. Throughout her illness, Mary always maintained hope that things would get better. Her firecracker personality was the exterior which held inside a loving, caring, and giving soul. She was tough, with a sweet and gentle core. If Mary was your friend, you had nothing to worry about. Mary loved the McGuire Family. She had a nickname for everyone. Mary knew that her family was always there for her. Mary was the big sister of the late Eric D. McGuire who died on June 30,

2013.

Mary is survived by her beloved son Damion “Diggy” Peters; her father Walter R. McGuire, Jr. and his wife Sheila of Newmarket, NH; her mother Suzanne (Blier) McGuire of Lowell; her brothers and sisters, Andrew McGuire and his wife Kim of Lowell, Matthew McGuire and Kate Pingryn of Austin, TX; Faith McGuire of Stratham, NH, Christina Cabrerra, James Brown, Mychaela Brown, and Samantha Brown all of Lowell; Judith McGuire of Stratham, NH, who was a mother figure in Mary’s life; her paternal grandmother Eleanor McGuire; her maternal grandfather Andrew Blier of Tewksbury; many aunts, uncles, nieces, nephews and cousins; and her son Damien's father, Kris Peters. Mary also leaves lots of great friends...and Pat too!

Mary was the granddaughter of the late Walter R. McGuire, Sr. and the late Mary Blier.

“ All my memories of Mary warm my heart, but in 2010 I was up in Plymouth Mass. Visiting my daughter Amy, two days before I was to fly home I went to Lowell to visit Paula , and Haley , asked if there was anything I wanted to do I told Paula I would like to see Mary, we first went to where Steve was working ,because her brothers were there ,I was very happy to see them and they told me where Mary lived ,Paula and I drove over I hid down stairs as Paula went up to her door she Told Mary that someone wanted to see her,I stepped out into her View and she screamed, that was the best reaction I ever got from anyone.I got to meet her son diggy, she was full of energy , I loved her very much. I met her when she was seven I had my daughter with me and they played that day.Sadly to say it was the last time I saw my daughter Amy, she was murdered 6.03. 2013. it was also the last time I saw Mary. As children they once played together now their both in Heaven. And even tho it comforts me to know they are both with God, it will never heal my sickness or mend my broken heart, first the loss of my only daughter ,, and now with the loss of Mary, to little girls who once played as children are now Angels of God. Mary I loved you so much , I will miss you dearly , my prayers go out to Sue and Walter for the loss of Mary andEric. Your in my prayers.

“ The last few months have been amazing, i am so happy we got to spend your last days here together. I wish we had more time, but i cant be selfish bc now you are fibally resting. Your pain and suffering has fibally ceased and you an now be with Eric and everyone else who has left us. I am so grateful to have had you in my life, you showed me what family means and to stick with each other, you were the most loyal person ive ever known. I will take everything you've taught me with me throughout the rest of my life. I will never forget the last things you said to me, although you were being taken, i never thought it would be the last time id see or talk to you. I love you so much, and i will miss you every day. Your spirit still lives around me bc i see you all the time. Your memory will never leave me or our house in which we lived together the past few months

I can't believe you are gone Mary, being close to your mom years ago also afforded me the ability to get close to you and share in some of your experiences including your struggles. You will be remembered by me as being extremely loyal and ready to stand up for yourself as well as family. You will carry these traits with you as they are much admired. We will see again, Love you honey

“ *I love you big sis. I still can't believe you are gone. You were the toughest person I've ever known. You had the greatest ability to forgive where others held grudges. I wish I had been there for you more. I will never forget all you've done for me, and the constant and unending love you gave me. I guess I took for granted the time you were here. You were so strong during your battle with your sickness, I didn't think you'd ever really leave us. I wish I could tell you now how much you meant to me. Rest in peace.*

I am so sorry Mary, please let Eric know the same after your done pounding him. I wish our relationship wasn't so sporadic and we were more consistent with our contacts. You always had our backs and were the ultimate defender of our family. If you are a McGuire, Blier, or Brown you already know this. If you crossed a McGuire, Blier, or Brown, you also know this. I love you Mary, AKA Marba Bearba, Mike Tyson's little sister, and some others I shouldn't mention. Please rest in peace, and as easy as you deserve.

Sweet Mary, you always danced to the beat of your own drum, and that is one of the things that made people gravitate toward you. You had the ability to shock the heck out of people sometimes, but you were also one of the sweetest and kindest people I knew. You will truly be missed. We love you. Fly with the angels sweetheart.
