“ *Meghan was a true hero among us. She will always be in my heart as my second daughter. Her smile and caring nature and courage is an example for all of us. For me it was an honor to be in her life and to be there with her in her final hours. For the angel I love, my heart always.*

“ *My memory of Meghan will always be her amazingly kind heart and constant smile. I loved how she has always been an incredible older cousin to my niece and nephews and I certainly recall being in her company when my boys were babies and she was so loving with them. The Sullivan and Colbert families are two of the kindest families I have ever met so I pray for them all during this so truly sad time. Meghan- I am sure you are running and laughing and definitely smiling up in heaven. :) Kelley DiCicco Foley*
