“ *To the Family of Nancy....*

Ever since I met Nancy here at Sparkling River, she has been a very special person who always had a place in my heart.

She was always extremely well dressed and always had a smile to welcome you and say hello. We all loved seeing her here in Sparkling River Condos pushing Kitty in her animal stroller. It always brought a smile to our faces as did Nancy.

She had a great sense of humor and was always willing to share a story with you.

The only thing that she would not share with me was her German Potato Salad Recipe.

I often asked her for the recipe and she would give me that wonderful smile of hers, but never the recipe.

To her four wonderful children, my sympathy and thank you for being such good children to a great mother, Nancy.

She will be missed by all.

Hugs, Bert Sullivan
