

Mr. Nathaniel A. "Nate" Fabian

March 26, 2001 - October 13, 2021

Nathaniel A. Fabian, 20, of Lowell, MA brought the brightest of lights into this world on March 26, 2001. Nathaniel was born to Stacey Braley and Henry Fabian, joining his older brother Henry J. Nate captivated his family throughout his life with his giant head, beautiful smile, zany sense of humor, and his amazing hugs. Oh—and let's not forget that big, beautiful head of hair! While growing up, Nate enjoyed his numerous trips to Disney with his grandparents and cousins. One of his most favorite family trips was going to Mexico. He loved spending his summers up at his grandparent's home at Lake Winnisquam with his family.

Nate had a large group of friends, many that he had since he was a child. They would spend their time skateboarding at Hadley Park, playing video games or just goofing around. When Nate wasn't with his family and friends, he loved to draw, paint, spend time with his Boston Terriers, Sam and Tess. His "fresh" sense of style was well known among his friends and could always be seen dressed in all his favorite brands. Nate was known to all for his silliness, making others laugh and going out of his way to make people feel better about themselves. Anyone who ever met Nate was a better person for it. You never had to wonder how Nate, a sensitive soul, felt about you, because he ended all his texts with "I love you more". He loved hard, always wanted the best for everyone, and his family and friends loved him right back. His family and friends were everything to him. Nate was educated in Lowell schools and graduated from the Lowell

Middlesex Academy Charter School in 2019. During high school he worked at the Rogers St. McDonald's, where he was quickly well respected as a hard and loyal worker. His co-workers quickly became a family to him, not just friends.

He went on to the Middlesex Community College Dental Assistant program, from which he graduated in May 2021. After his graduation from Middlesex, Nate was employed as a Dental Assistant at Lowell Dentistry for Children, a job he thoroughly loved, being able to work with all children, especially those with special needs. He always maintained that the best thing about his job there was that he felt he was truly making a difference. And he did.

Nate is survived by his parents, Stacey (Smith) and Scott Braley of Lowell; his brother Henry J of Lowell and his sister Corrina Braley and her fiancé Chris Gath of Tewksbury and their children Nya Cappello and Lilly Gath, his grandparents Joseph and Lisa Smith of Belmont, NH; an aunt and uncle who were second parents to him, Alecia and John Brangan of Dracut, as well as his cousins who were more like siblings, Emma and Jack.

Also surviving him are his father Henry Fabian of Manchester, NH; his little sister Leynah Fabian of Manchester, NH; his grandparents Juana Lara of Santo Domingo, DR and Marcelino Fabian of Santo Domingo, DR; his aunts and uncle Merry Frometa of Santo Domingo, DR and Amy Fabian, Benmy Fabian, and Bemely Fabian, all of Lawrence. Nate is also survived by many great aunts and uncles, cousins, his countless friends and girlfriend, Thai Voraph of Lowell.

As an expression of sympathy, please make a donation to the Nathaniel A. Fabian Memorial Fund, at this Go Fund Me link: <https://gofund.me/0368449b> The Nathaniel Fabian Memorial Fund or in person at any Enterprise Bank Branch. All monies will be used to improve one of his most favorite places, the Hadley Skate Park.

Friends and Family are invited to attend Nate's Services at Holy Family Parish-St. Marie Church at 75 Chamberlain St. in Lowell at 12 Noon on Saturday, October 23, 2021. All are welcome, but in the spirit of Nate, who

hated dressing up, please dress casually.

Our sweet Nate—we will always “love you more”.

“ Saturday's service was a beautiful tribute to an incredible and gifted human being. The memories of Nate (and Henry too) as youngsters in Mrs. Meidell's first grade classroom at the Shaughnessy School were many and wonderful. Nate was caring, gentle, funny, and bright, qualities he carried with him throughout his life. He will be missed, my thoughts and prayers are with you all. Rest in peace Nate.

With special love to Stacey and Henry.

“ Just a few of many memories I have with Nate. My condolences to his amazing family. First friend I made when we were 4 years old in kindergarten. Best friend I could have ask for. Whenever I saw you, whether it was at your mom's or visiting her at work, you always had a breezy lightness, easiness about you which was contagious...a special gift making others feel comfortable and accepted. You are a GEM. Rest in peace Nate

“ *Dearest Nate,*

I still can't believe that you're gone. It doesn't make sense. I have never lost a friend before.

Every time you were around, I always felt like I could tell you my most shameful secrets and not get judged by you. You were one of the few people who was brutally honest and did not really care about other people's opinions. You and I started off a little horrifying, but eventually we became friends and bonded over the silliest thing. You were one of the funniest, carefree, smart, hard-working and charming person I met. My heart breaks referring to you in past tense.

I will miss you. I hope you find peace.

Keep smiling in heaven, love.
