“ Dear Ma/Grammy,

When you first moved to Florida we were very sad to not be able to see you all the time. We always enjoyed your stayovers at our home and all the things we were able to do with you and Pa/Grampy. We missed them when you were unable to travel anymore. But you couldn't get rid of us that easy. We made as many visits as possible to see you and our stayovers with you were always so memorable.

You always made the Holidays one to remember with all your special crafted things. Many of which we still use today and always have a “remember when” story of great memories. Now you are with your beloved son “Baby” Brian.

We love you endlessly. You will always be in our thoughts and prayers.

*Forever & Always,
Pam & Cassandra XOXO*

Olive and Bob, so sorry that Ann and I will not be able to attend Olives Services this coming Monday.

I will always remember My Wonderful Sister Olive was stuck with babysitting me most of her young adult life! I do know she missed out on many a good times with other young people her age because she had to watch me when our Mom was working.

She never complained! I was lucky enough to have her as a Sister and a Second Mom.
