Patty lived her life to the fullest and will be remembered for her great sense of humor and love of playing practical jokes on all her many, many friends and co-workers. She never refused a microphone, never found a song she couldn't sing, or a camera she wouldn't pose for.

She danced every dance, she sang every song, she loved all she met and all

loved her. Patty was special in every sense of the word. She enjoyed traveling to Cape Cod, York Beach, Maine and Disney World. She counted Mickey Mouse and Elvis as her BFFs. Family meant the world to Patty and Patty meant the world to her family.

Patty's family will be eternally grateful for the love and care Patty has received from Growthways in Brockton, MA throughout the years. Judi, Eileen, Rachel and the wonderful staff at Patty's home and workplace have always offered her unconditional love and support for which her family will be forever grateful.
