“ A guy who could make you laugh no matter what your mood was or where you were. Funerals were the best, I mean, are you supposed to laugh at funerals .. you did with Paul in your circle.
I always wanted a slate roof with copper valleys, flashing and gutters. I just couldn't afford it, but if I could, he would of been the right/best guy for the job!
Rest in peace Paul and may God comfort family and friends during this difficult time.
