Paul James McFadden

October 7, 1953 - December 7, 2025

Paul James McFadden, 72, passed away peacefully at his home on December 7, 2025, surrounded by his family. Paul was born in Lowell on October 7, 1953 to the late Thomas H. “Tick” McFadden Jr and Mary L. (Manning) McFadden. Paul was a lifelong resident of Lowell, Massachusetts and a proud graduate of the Lowell public school system. Paul was the former owner of Ace Foundations.

Family was always at the heart of Paul’s life. He is survived by his devoted wife Kimberly (McGrade) McFadden, with whom he shared 47 years of marriage and who took care of him at home while on hospice for the past year.

Paul is survived by his 3 children, son Corey McFadden; daughters Kerri and her husband Eric Finn; and Haley McFadden. He was also a cherished grandfather to Riley, Joshua, Summer, Ace, Teagan, and Adalee, all of whom brought him immense joy. He taught his grandchildren how to swim and ride their bikes.

One of Paul’s greatest pleasures was spending time at his beach house in

Hampton Beach. The ocean was his happy place, you could often find him going in the water even on the coldest of days.

He is also survived by his 3 sisters, Sheila Carney and her late husband, Charles, of Lowell, Joanne Tellier and her husband, Richard, of Pelham, and Kellie McLory and her husband Scott of Myrtle beach, SC. His is predeceased by his 2 brothers Thomas McFadden III and David "Morgan" McFadden. He also leaves behind many brother and sister in laws and many nieces, nephews, and friends. Paul's family would like to acknowledge Care Dimensions and all of their wonderful staff from the Hospice Team for their care and support during this difficult time.

All services will be held privately.

“ I am very sorry to see that you have passed. We were best of friends in work and out of work. As we did work together for years doing the forms starting with Chelmsford Forms. It has been a lot of years since, as I now live in Lake George with my wife Rachel. All three of you Ticks are now together. God Blessed.

“ I'm Soo so sorry to see this today. My condolences to the entire family. One of the truly nicest kids in the neighborhood, who I've thought of often over the years. Tick (cuz all the McFadden boys were Tick or Ticka to me and kinda any of us that grew up together) hard worker, always a gentleman!, polite, smiling, quiet and protective of all of us. None of us kids at ODonnells / So Lowell ever worried about being safe if it came down to fisticuffs with outsiders from other areas. There wasn't a better time or place or bunch of friends to be a part of back in the day"..LOTS of laughs and really good times. See ya on the other side buddy~
