“ I will always going to keep you in my heart. I only have sweet and beautiful memories of you. You always made me feel that your nephews, niece, brother in-law and I were very important in your life, not only with words but with actions. That hug and kiss that I received from you days before "your left", was engraved in my mind and ❤️. Not knowing that it was the last one that would ever get from you. 😞 I'm going to miss your voice, your humor, and your 😊. You was so unique! You Never fail to make others feel good and make them laugh even when it wasn't your best day. I pray to God and hope that your soul is resting in a place were you do not suffer anymore.
