“ *In Naples, he was always magically around
when we needed him the most especially
when we had emergencies in our condo. My
last talk with him-he was so excited to go
back home and see all his family and
granddaughter. I am glad he at least got to do that before passing.
It's very sad that he passed so young and I wish the family healing*

“ *My most sincere sympathy to all of Sean's family. It does not seem
possible that the man I first met as Nancy's little brother with the
mischievous smile is no longer with you. I am sorry that I cannot be
with you in person, but know that I will be with you in thought and
prayer.
