“ *Eve, Stephanie & Tyler, I'm so sorry to hear of Steve's passing. I sure hope you know we loved this guy, he was a hard and talented worker very devoted you and was a good man. His passion for his family and his love of fishing and the simple things in life were what he cared for the most.*

I'm sorry I'm a day late for the services; I hope you know we share in the sadness you are feeling now.

*Take care,
Jim Soulard & Family*

“ *I am not able to attend the service for Steve this morning. Steve and his family have been on my mind for quite some time and they will remain to be.*

We had many, many fond memories of our camping trips each Fall and Winter.

Gadabout Gaddis had nothing on Steve.

My deepest sympathies to the Meegan family during this time of sorrow.
