“ *Joan and extended family, so sorry to hear that Suzanne has died at such an early age. I remember when Billy gave me Suzanne's tricycle when she had grown out of it at age 6 for our son John who had turned 3 and did not have one. Of course, her's was pink so I had to change the color and a couple of tires since Suzanne must have put on 100,000 miles on that trike. Lots of fond memories from days gone by. Extend our condolences to the entire family. Sincerely, John and Melba Leite.*
