“ *I lived across the street from Tommy. I remember thinking he was this big mysterious guy because he was so much older than me. When your young 11 years is huge. He was much too young to walk the rainbow bridge. Joann and Barbara big big hugs.

“ *Tommy
From the early days on Lincoln street when were just "whiddle kids," to all those years at "The Fairgrounds," a.k.a O'Donnell Park, to all those rounds of golf, we were teammates and golf partners, but most of all, we were lifelong friends. RIP, "Buff"

“ I met Tom when I was running the racquetball tournaments at Cedardale in Haverhill. He was one of the "A" players but always a gentleman. He was always willing to help out ref a match and then when over have fun. Then I ran into him at the NAB CC and we shared lots of fond memories. He was a gentle soul and unless you almost hit him with a golf ball on the course he never got upset. Will miss having lunch with him as he loved to go places and eat. Would love to start a fund for a bench or something to be put at NAB in his memory.

“ I met Tom when we both worked at the Bedford VA as well as the YMCA. Despite both working at both locations it took a while for us to meet, both always being asked if we knew the other. When we finally met we had a great laugh and the laughs always continued. My sympathies to his family and Deb. He was a great man and I'm fortunate to have known him.
