“ I knew Tim since I was 19 years old. He was an amazing person, always giving even when he didn't have. Tim and I went through some trials but the last year we ended all that and became best friends and for that I am forever grateful . 6 months ago he called me and said Sher, that's what he called me always, come for a ride with me and said something I will never forget, Sheri Stecchi u are my best friend and I love and appreciate you for that and wouldn't want it any other way, and we just continued our ride listening to some of his favorite songs. Tim came by my home often even as close as a month before his passing, it makes me so sad that I will never open my door and see my best friends face ever again. The moment he passed God took this amazing man in his arms and held him tight and whispered to him the words of peace and harmony.. Even the good Lord himself knows what a powerful soul this man was. Love U and Miss U Everyday Mr. Timothy Travers.

“ Tim was always one of those guys who knew everyone, from every walk of life. I remember one year I said enough of this, we can't go anywhere without you knowing someone so I brought him over 3 hours away to Lincoln NH for a weekend getaway. We went out to dinner the first night and what do ya know. The minute we walked into the restaurant he sees a guy he knew!! I immediately started laughing & said sheesh I really can't take u anywhere! He was such a big heart and personality. He would help anyone and would give the very last of what he had to help too. He was such a fun guy and so smart and witty. He could do anything in life he wanted to. He loved his family and his family loved him just as much. Tim was the love of my life and I will truly miss him. He lives on in our children. He will be missed but certainly never forgotten. RIP Timmy ur forever in my heart
