“ I always admired Tina. She had so many obstacles put in her way but she continually faced them and kept going. She was smart, funny, engaging, warm, and caring. She was a loving mother and grandmother. She will always be deeply missed.

“ Our family would like to express our heart felt sympathy. My daughter, Beth, loved Tina so much and said that if she had a million dollars she would buy a house that she and Tina could live in. I am thankful that we were fortunate enough to know how sweet and compassionate Tina was.

“ I’m so sorry Tina, I’ve never felt shock and sadness this much ever. We had a very special relationship for almost 15 years. We had been through a lot and I’ll never forget any of it. So many great times like all the trips to the White mountains with just you and I and us and all the kids. We loved it so much that we were supposed to marry on to of Mt. Washington. I watched your kids grow from children to beautiful independent women and it was just such a special thing we had at one time with the 7 of us as a family. I’m so sorry we couldn’t work out our differences. I’m so sorry for many things and I’m sorry I couldn’t be at your service but we both know why and I don’t have to be there because the memories are all in my heart. I’ll always remember the good times and I miss Jayna Christina and Jayda. Now you Rest In Peace and feel no pain.
