

Ms. Vilmaria Maldonado

November 25, 1977 - July 28, 2023

Vilmaria Maldonado

Our beloved Chispi was full of life. She had a generous heart and a unique personality. She always saw the goodness in everyone and the positive in all circumstances. To have lost her is like losing a part of our souls.

She loved riding horses. She also had a love for farm animals and always looked for an opportunity to be a rescuer of animals in need. She loved flowers particularly Roses. Her favorite fantasy creatures were fairies. Her favorite song was "My immortal" by Evanescence.

Chispi love to be involved in the community helping in any way she could. She gave of herself to those in need. She loved her boys always encouraged them in any way possible. Her family was very important to her.

Vilmaria spent as much time as possible with her family creating loving memories.

Goodbyes are not forever.

Goodbyes are not the end.

They simply mean I'll miss you

Until we meet again!

“ *Val is an amazing woman who, despite her health challenges, strove to make a difference in this world. Working with her for the past few years as Santa helped me to really get to know her heart. And her heart for those dealing with challenges. And now she has received the ultimate reward for her service to others. She will be greatly missed in this life. But her legacy will live on in those who knew and loved her. And her work will never end.*

*Rest well, Val.
Till we meet again.*

“ *I have known Vilmaria for over 20 plus years. She has worked for me and with me many of years! She honestly always wanted to do good for people, though some might not of seen it! I have many fond memories of her beautiful spirit! She had a light that shined through her work! I am proud of what she had accomplished and know she is looking down and will always look over her children and be their guardian angel on their shoulder! Know Vilmaria your light will shine on forever! You will be missed! love you xo*
