“ *I am sorry to have seen this now, after so much time has passed. I did not know then. I am saddened for Bonnie, as she was a strength for me, when at times I needed just to talk to someone. I often find my thoughts reflecting on those times in my life. I am also saddened by the passing of Mark, as I also new not when he passed. He was truly loved by me as a friend, - always dear to my heart. God bless and keep you all. -Karin Guthrie*

“ I knew Bill when he worked for the V. A. Hospital .. Even back then there wasn't anything he wouldn't do to help you in anyway he could .. I worked for the local parts store where he would purchase all the hospital's maintainence supplies and we became good friends quickly .. Lost touch with him the last few years ,, everyone has their own path in life but he was never out of my head ,, thought of him constantly .. I will miss him dearly ,, he was a true and good friend .. My sincere condolences to both friends and family .. I am truly sorry .. Rick D. (Bedford Auto Parts) Way back when ..
