“ I remember the hole in the bottom of the sea I think maybe I was three. Chocolate cookies I always got. Even if I was good or not. Playing cards I remember the most Even when you were the host. Many sleep overs with my friends The rules you always let us bend. Pennies you always saved for me I just had to say pretty please. Deborah Nicky you called my name When we played those silly games. I know that you were proud of me When you tore up the checks, you see. It really meant a lot to me That I was the one you chose you see I held your hand and said good bye But in my heart, you will never die. Love Always Deborah Nicky

“ I have many wonderful memories of Bill. I have been friends with his niece Debbie for 34 years. He was my Uncle Bill too. I remember visiting him in Rhode Island and he said if we didn't get up by 7am he was going to pour water over our heads. He never did get us wet but always had fun joking around. He got me my first job out of high school at Visual Technology and even was my carpool buddy. He always tried to help everyone out around him as much as he could. He didn't have any children of his own but he loved everyone and everyone loved him. We love you Bill and you will be truly missed!
