“ *Wilson knew how to brighten someone's day with just his smile. When I think of him, I smile too, because I remember him as always smiling... He was a kind person to be around and was always welcomed at our home.*

I know this is a sad time for you and your family and so I pray that God will be with you all, and will grant you all the strength and grace to cope with this loss. Your whole family will always be in my prayers. My deepest condolences.
