“ *Yolanda was my foster sister over 20yrs ago. I remember when my son and I first came she was so nice to me and we just clicked. I don't know why you crossed my mind today but I was saddened to learn of your passing. Im speechless still honestly. I can only cry, no words. I love you*

“ *Yolanda was my aunt but she was my sister to me. You are in a better place playing with your babies and hanging out with the other family members. I will always remember the time when I had a bag of candy from market basket, I went to show u which kind of candy it so and then you took the whole bag. I still laugh at that moment now. But I will always love you and I will always miss you ❤️ Until we meet again💕 - love Shanelly*

“ *So many memories with this family. Living down the street, we had so many sleepovers, late nights hanging out, and almost always getting into some sort of trouble together. My thoughts and prayers are with all of Yolanda's family and closest friends, and all those that loved her. Sincerest condolences,*
